

A message from our co-chairs

We're excited to raise funds for Marshalltown Area United Way and co-chair this year's campaign. As natives, we've seen life outside of Marshalltown and choose to live, learn, work, and play in Marshall County!

Kate is the Workforce Development Director for Marshalltown Area Chamber of Commerce and serves on Marshalltown Education Partnership Board, is a CrossFit coach, and a Personal Trainer at the YMCA.

Kyley runs her own marketing company - Kyley Leger Marketing, serves on the Assistance League of Marshalltown Board, leads the Organization Committee on the Marshalltown Central Business District Board, and co-chaired the Night of Stars fundraiser for 10 years.

Please join us in giving back to our community and help us reach our fundraising goal of \$900,000.

Impact Areas

YOUTH OPPORTUNITY

We fund programming that allows tomorrow's leaders to build a better foundation today. With an approach to education that spans from cradle to career, we're ensuring every child gets a strong start in life, teenagers have the tools to learn and grow, and young adults thrive in the job market.

HEALTHY COMMUNITY

We strive to make it easier for individuals to access nutritious foods & other basic necessities, along with mental health & abuse prevention services, grief support, disaster recovery, and skill building for those with disabilities to reach self-independence.

FINANCIAL SECURITY

We support providing every person, in our community, on a path toward financial empowerment. That starts with access to services, job training, leadership development, legal assistance and housing security programs.
